Fronius USA offers IG, IG Plus, IG Plus V and CL Central Series inverters with the standard **Fronius Premium 10-Year Warranty**. 5-Year and 10-Year Extended Warranties are available for a nominal investment*.

Conditions, Limitations, and Process Overview:

1. All terms and conditions of warranty are the same as the Fronius USA Premium 10-Year Warranty with the warranty terms increased to 15 years on the 5-Year Extended Warranty and 20 years on the 10-Year Extended Warranty.
2. The Extended Warranty must be purchased through a Fronius Authorized Distributor or Integrator within **180 Days** or **6 months** of shipping from Fronius.
3. The purchase of 5-Year or 10-Year Extended Warranty must be done through your Solar Dealer or Installer whom will forward the details to the Fronius Authorized Distributor or directly to Fronius if they are a direct account of Fronius.

*Fronius CL Central Inverter comes with 10-Year Extended Warranty option only

4. Solar System owners and end users can not purchase the Extended Warranty directly from Fronius.
5. The purchase order from the Fronius Authorized Distribution Partner or Integrator must clearly detail the Inverter model, serial number, warranty part number and the email address of the system owner in order to forward the 15 year warranty certificate. This must include the inverter serial number, to the system owner that purchases a 15 or 20 year warranty. In the absence of an email address for the system owner, this will be emailed to the Fronius Authorized Distributor or Integrator.
6. Fronius will forward the warranty certificate via email for the extension which was purchased.
